

The Perks of Being a Wallflower Game

Idea!

- you are charlie
- you must go through his freshman year (board)
- met with the same problems and events he went through

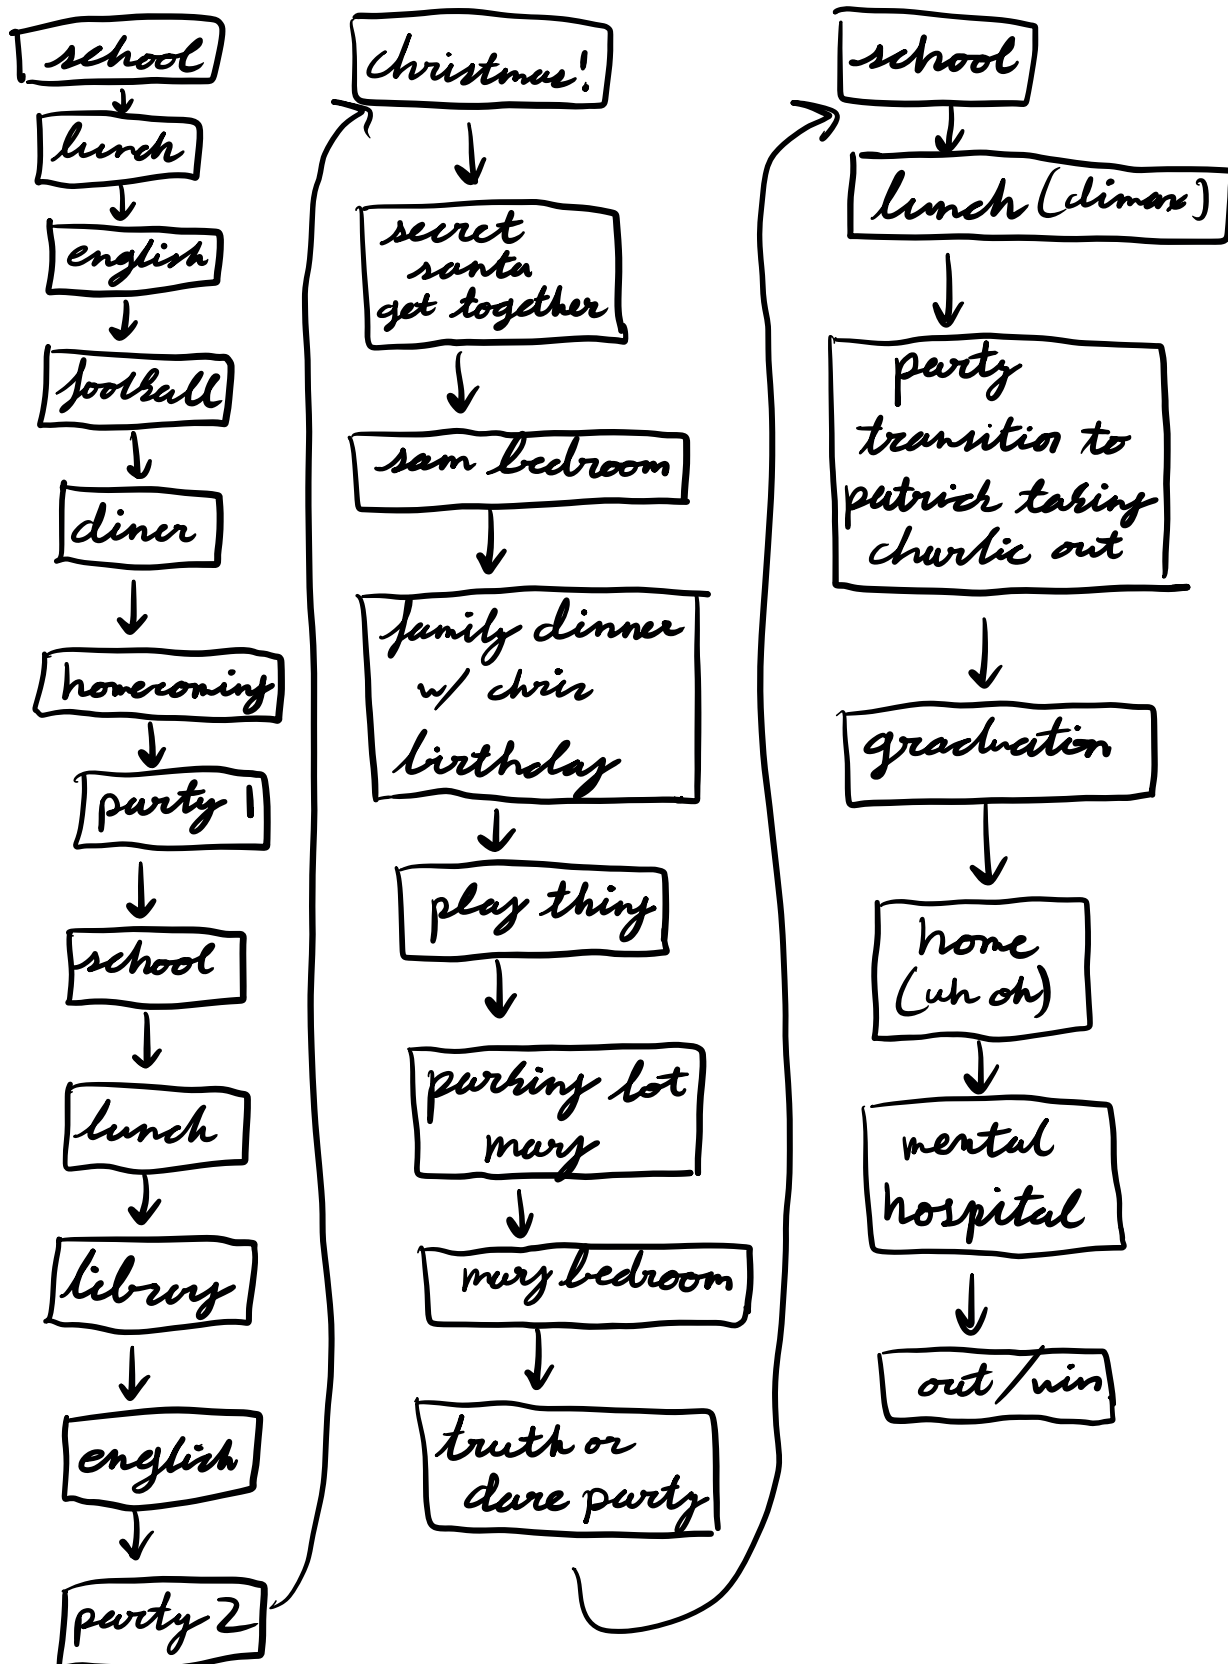

~~• innards
geometric lol~~

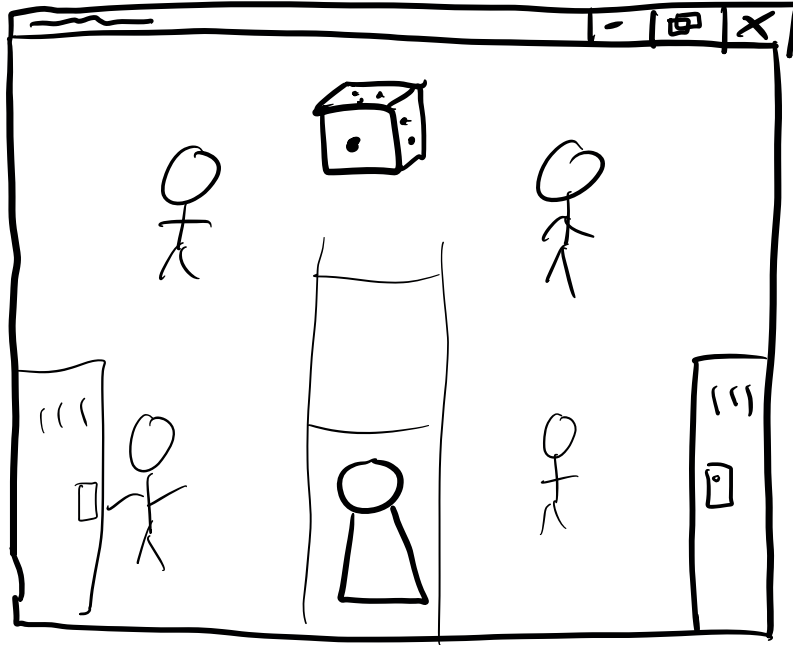

no
third person like
wii party

- start of highschool → graduation for seniors
- in between include settings from book like a party
- roll die to move
- spaces can introduce situations and what did charlie do?
- play as all three?! pat, sam, charlie
- can help each other
- if wrong move back surprise spaces can move you back too.
- rewarded for knowing story

- ~~first to graduate wins?~~ first to end.
- almost like a trivia board game
- chance spots maybe?
- this board is not what it will visually look like

- game visually look like this

- kind of like 3rd person perspective
- pixel art
